Boasting tremendous amounts of character, this is not to be missed.

This is an excellent property to suit a larger family. With excellent room sizes, timber flooring upstairs along with 2 air conditioning units, downstairs with ducted air conditioning. The property will have a brand new kitchen and refurbished bathrooms. There is also a handy rear lane access via roller door with secure parking.

Situated just across the road from the local park and within walking distance to Stanmore station, in one of the quietest streets of the suburb, this lovely house is certainly one of a kind.

Pets considered upon application.
