Perfect opportunity for those looking to stay within the city and walking distance to Central park, central train station and both Sydney university or University of Technology Sydney.

This over sized one bedroom itself is conveniently located on the second floor of a converted warehouse with elevator access. The building itself is secure swipe access and combines a blend of industrial yet well manicured landscaped garden areas making an inviting and private courtyard entrance.

The unit features:

- Open plan living and dining area, creates a sense of large open space.
